Hollywood's most beloved ingénue. From the films that made her famous to the photographers who immortalized her, *Audrey: The 50s* brings the actress's legacy into perfect focus. At a time of absolute glamour, no one embodied 1950s Hollywood quite like Audrey Hepburn. In this, her most distinguished decade, Hepburn's influence on fashion and film was ubiquitous and everlasting. Gamine, doe-eyed, and irresistibly endearing, Hepburn delighted cinema audiences in classics like *Roman Holiday*, *Sabrina*, *Funny Face*, and *The Nun's Story*. These films, along with the many magazine covers she graced and the photographers who adored capturing her charm, catapulted the sophisticated Hepburn to superstardom, placing her among the acting elite. From one of the world's largest private archives of original Audrey Hepburn photographs, renowned curator and photographic preservationist David Wills presents a stunning collection of images from Hepburn's most iconic period, accompanied by an insightful introduction and quotes from Hepburn's costars, directors, designers, photographers, and work associates. With more than 200 rare and classic images of Hepburn in character, on set, at home, behind the scenes, at award shows and photo shoots—some of which are being shown here for the first time and many digitally restored from their original photographic prints, negatives, and transparencies—Wills brings the 1950s back to life. Showcasing her glamour and incomparable style, *Audrey: The 50s* is a luxe testament to the actress's timeless appeal and celebrates her enduring legacy.

This is a fantastically beautiful book, inside and out. Great quality, holding together a collection of photographs of one of the most beautiful people to ever walk the Earth—I'm just a little bias. This new book is selling at a great price, and is worth every penny. This is a photographic journal of Audrey during the 50's, which is her most prolific decade as an actress and model. Absolutely stunning and a necessary addition to any collector's book shelf. Very proud to have this in my collection.

A beautifully written book with gorgeous photos! This was a gift for my daughter (who bears a striking resemblance to the iconic actress) to add to her collection of Audrey Hepburn memorabilia. Large hardcover book arrived in perfect condition, as it was vacuum-sealed in plastic for protection and nestled in plenty of pillow packs. Excellent book!!

Beautiful book! Love all the pictures! I am a huge fan of Audrey Hepburn! When this book came out I knew I had to add it to my collection of books about her(which is now at two dozen if not more!)

This book is amazingly beautiful!

My wife loves Audrey Hepburn. Great but heavy book. lots of good photos.

Great Audrey book of pictures!

My niece is going to be crazy for this!

A beautiful book with many unseen and rare photographs of the delightful Audrey in the 50s that marked her movie debut and many of her first major films. Lives up to the standard of David Wills and his earlier book Audrey the 60s. A great Christmas gift.
