Lietuva: Beautiful Lithuania

Synopsis

Here is a somewhat different, extraordinary Lithuania. You won't see it as you rush by, glancing out a car or train window, you won't discover it from a plane or standing at a lookout point, tourist map in hand, searching for historical, natural and cultural sights. This is the Lithuania that you see on foot, slowly ascending the slopes of the River Nemunas, atop the Merkinė and Kernavė fortress mounds, on the sand dunes of the Curonian Spit, down in the river valleys, wading through meadows and fields penetrating the luxuriant vegetation, and from out-of-the-way sites. The photographs exude quiet, the tranquility of undisturbed nature, the space that comes with a Sunday calm. Filled with 53 glorious color photographs, the natural beauty and majesty of Lithuania is captured in this oversized book. Text is kept to a minimum in order not to interfere with the serene scenery captured by the photographers' artistic eye. Sit back, relax and enjoy Lithuania as you've never seen it before.
