I enjoy coloring to help relax and these not only help me relax, but are postcards I can mail and utilize! Sent them to several friends and family members and they were well received. They are intricate and all 20 postcards are different.

Fun size coloring book that you can then use for a fun personalized touch for holiday gift giving and decorating. The smaller size of these pages makes them great to keep in your bag with holiday colored pencils or markers and taking a bit of time to relax and color. You can finish a bunch and then have them on hand for a nice little handmade touch when giving a gift at the holidays. Darling art!
