Customer Reviews

'The answer to every short-breaker's dream. The jewel-coloured guides look beautiful and are exquisitely designed.' The Times 'Gorgeous photography, sharp graphics, and design-savvy, waffle-free text, written by city insiders rather than bearded backpackers.' The Independent 'Glamorous, global and affordable.' Telegraph magazine 'Packed with insider knowledge and eye-catching photography.' Vogue 'Ultra-glam, uber-chic' The Observer 'Attractive and well-researched.' USA Today 'Ultra-stylish.' Time Magazine 'Sophisticated but simple.' The New York Times 'Small, stylish and beautifully illustrated, the Wallpaper* City Guides make everything else look old hat. ... The photographs and maps are superb.' The Sydney Magazine

Wallpaper* City Guides are compiled by the magazine's travel experts, both by in-house editors, and correspondents who actually live in the highlighted cities, providing up-to-the-minute information.

The Wallpaper City Guides provide fantastic suggestions for travelers interested in uncovering local favorites as well as hotels, shops, and restaurants with a heavy focus on architecture, design, and

all things cutting-edge. After reviewing the book, I asked the concierge at the hotel to make reservations at several restaurants and she asked what resource I had consulted to come up with such a great assortment of popular and local favorites in the city. The shops and galleries featured in the book were wonderful as well. My only complaint about the *Wallpaper* series is the lack of a detailed city map within the books highlighting neighborhoods. Additional information regarding airport and public transportation would also be nice, but those things are easily navigated by those used to city life. The quality of the other content more than makes up for the shortcomings.

This guide has far more of a point of view than the others I looked at for Montreal. It details the aesthetics of Montreal, highlighting boutiques, art galleries, chic restaurants, architecture and more. *Wallpaper*'s Montreal was definitely the Montreal I was seeking.
