97 Things To Do Before You Finish High School

Synopsis

Being in high school is about a lot more than going to high school. It's about discovering new places, new hobbies, and new people - and opening your eyes to the world. This book is about the stuff they don't teach you in high school, like how to host a film festival, plan your first road trip, make a podcast, or write a manifesto. Want to make a time capsule? Spend a day in silence? Learn how to make beats like a DJ? Or shut down your house party before the police do? Whatever your creative, social, or academic inclinations, you'll find 97 ways on these pages to amuse, educate, and interest yourself, and your friends. Because your life doesn't stop at 3 p.m. each day--it just gets started.

Its cool but i don't feel like all of them are unisex, or really normal things to do while in high school.

My daughter is entering high school next year and my son purchased this for her for Christmas. She is really looking forward to doing the things in this book. This is a win for a gift idea!

my daughter got this as a present...she loves it

Perfect!!!

perfect

Bought for my granddaughter, there were some funny things to do in the book. I think she will not do everything but she was giggling while reading it.

Looks like it will be a perfect gift for my step daughter. Hopefully she will enjoy it and read the book

Super perfect for the young teen in your life. I enjoyed reading it myself! The book has different categories. I is kind of like an "early in life" Bucket List.
