I got this for my dad who is a huge Hawkeyes fan. He loved it!

The authors/editors have put together a WONDERFUL collection of stories etc from Hawkeye football players. I've never played football so at times it's a little hard relating to references to games, plays, etc. But I bought the book to read about Hawkeye pride and that is clearly in there! This is a great read for University of Iowa Hawkeye fans and a MUST MUST read for Hawkeye football fans. Hammes also has another book about Hawkeye sports that you should check out! Phil P

Well written and nice to have it in the words of the various players through the decades! It warms the heart of hawkeye fans to read how much Iowa City and the University of Iowa are loved and appreciated by youngsters who come to get an education and play football. Also most interesting to get the perspective of some of the great coaches through the years!
