Spartacus Berlin Gay Guide (English Edition)

Synopsis

Since 1981 our gay guide "Berlin von hinten" has enjoyed immense popularity in the gay scene. Since the beginning our guide has more and more international readers. Berlin is becoming more international and attracts young people from around the world. To adapt to this trend, we have come up with a new title. The new name is the Spartacus Berlin Gay Guide. In this guide we list the reasons why a visit to Berlin is so important. Sex, events, culture, sights, shopping - this abundance in Germany is only possible in the capital city. There is also a list of address from businesses and locations that are worth a visit. There are also local maps which help the reader find his way round this metropolis. Useful information for overnight accommodation, tourist information, the public S + U network maps, gay press, physicians etc is found at the back of this guide.

Customer Reviews

This is a valuable tool for gay travellers who seek to explore the world. Fundamental information is provided about each location. The entries about European countries are extensive and timely. I take photocopies of the relevant pages with me when I go to a new location. The guide provides information about current gay publications available when visiting venues in person.

The name of this popular guide to the activities, sights secrets and pleasures of Berlin for the gay traveler was for thirty years BERLIN VON HINTEN and believe it or not it was the very first publication of the now famous Bruno GmÄnder Media Group. The guide has grown, has added many new features including apps and now goes by the new look and new name SPARTACUS BERLIN GAY GUIDE. Faithful readers of the old serie will not be disappointed.As the guide editor Briand Bedford points out, `The popular party location Schwuz moves to NeukÄrln. In addition the Gay Museum in Tiergarten moved into new premises and the suburb Mitte develops with new bars such as Saint Jean and The Liberate, becoming a new gay hotspot. Berlin is constantly changing and re-discovered itself again and again.'The guide is bilingual - German and English - and is bursting at the seams with current Berlin events, shopping, history and describes in detail many facets of the gay scene and in addition free tickets and vouchers to various parties are included in the back of this guide. Compact information on local attractions and theme-related articles about sex and nightlife can also be found. There are also address lists for shops and places which are a must to visit. The reader is offered help in navigation around the metropolis with the aid of city maps and a map of the public transport system.If you're going to visit Berlin, don't leave without this!
