Tom Clancy's Op Center: Divide And Conquer

Synopsis

Shadowy elements within the State Department secretly cause tensions to flare between Iran and the former Soviet republic of Azerbaijan. They hope to start a shooting war to increase their own power and profit. At the same time, the conspirators decide to up the ante -- by deposing the President of the United States. In a treacherous scheme, they convince the President that he is mentally unstable, and a silent coup d'état is within their reach. Now, Paul Hood and the members of Op-Center are pitted against the clock to prevent the outbreak of war, save the honor of the President -- and expose the traitors within... A powerful profile of America's defense intelligence, and crisis management technology, Tom Clancy's Op-Center is the creation of Tom Clancy and Steve Pieczenik -- inspiring this and other gripping audiobooks.

Customer Reviews

A little more than thirty years ago Tom Clancy was a Maryland insurance broker with a passion for naval history. Years before, he had been an English major at Baltimore's Loyola College and had always dreamed of writing a novel. His first effort, *The Hunt for Red October*, sold briskly as a result of rave reviews, then catapulted onto the New York Times bestseller list after President Reagan pronounced it "the perfect yarn." From that day forward, Clancy established himself as an undisputed master at blending exceptional realism and authenticity, intricate plotting, and razor-sharp suspense. He passed away in October 2013. --This text refers to the Mass Market Paperback edition.

As usual, a great read and powerful specifically during the current situations in the Middle East, Russia and the Ukraine!

From start to end could not put down. Even when I finished went looking for more pages.

Great book, couldn't put it down, page after page of excitement. Such a great series of books recommend all of them

Another good read

A very interesting story. The book keep me on the edge of my chair from beginning to the end. I can't wait for the next Op center book.

as I've said previously, Clancy has gotten better w/each book.his plots & books mostly have to do w/Honor & the GOOD of Country!

I loved the book but missed the involvement of the striker team. Great continuity with previous books in the series.

Enjoyed it! I have read many of Tom Clancy's books and liked everyone of them. I would recommend this and all of his other books.
