Karen Brown's New England 2010: Exceptional Places To Stay & Itineraries (Karen Brown's New England: Exceptional Places To Stay & Itineraries)

Synopsis

We decided to publish this guide earlier in 2009 so that it will be on bookshelves in time for travelers who want to experience New England in the glory of its spectacular fall foliage. However, with its four distinct seasons and geographic diversity, New England is a delightful travel destination all year round. It has a very special allure as well as some of the nation's most charming and romantic inns. Follow the suggested countryside routes and explore its six states from Cape Cod and the byways of Coastal Maine and discover Karen's selection of what she considers the best in terms of places to settle in each night. 6 Regional Driving Itineraries, Descriptions of over 170 Places to Stay.

Customer Reviews

I have used Karen Brown's books to travel the world. Her recommendations and itineraries never disappoint. I always can trust her recommendations. I am very disappointed that her books will not be available in print form anymore.

As usual, the Karen brown books are informative and helpful. They offer lots of info on boutique accommodations, trip itineraries and high end restaurants.
