Customer Reviews

I love this book I read to my brother and he love it to. The book is good and awesome.

My brother's a mince craft addict, and so I decided to buy this book as a guide for him in playing

Minecraft.

I liked this book. Noobs wouldn't get one laugh out of it, but experienced people who can have a diamond sword in two days, like me, would think it hysterically funny. has gotten rid of four non-Minecraft books and added this, dog memes, diary of a little enderman, and a Zeke the Chicken Jockey book.

This is one of the most hilarious Diary of a wimpy noob books ever! I like how he fell off the mountain and though he would never find his house again, only to find out that he spawned right by his bed! I also think his first encounter with a creeper, HILARIOUS! Keep up the great work!

Three star I consider this to noons at minecraft . well like I dislike that it's a noon it could be a minecraft doge ;)

At the end of the story he accomplishes a lot of stuff but that is not nooby At the beginning he knows more than a noob would find out

this book is awesome. Crafty Nichole really knows how to get you interested. this book was amazing!! i would recommend to that you read this book. DERP!!!!!!!!!!!!!!

I notice that every time I get to the Diary of an Unlucky Steve, in older books, I almost mistake the cover you put for it as a diary of a wimpy steve cover, whereas in the newer books, it is different. Why is that, and which cover is it? -infourai17 (P.S. Don't message me)
