Martin Luther always seems to be able to touch my heart with his thoughts about his beliefs and this is one of the best books written about enhancing a prayer life and finding the "right" thing to say in your conversations with God. Covers many of life's ups and downs, life's many special occurrences, and it's sad times as well. I highly recommend this book for all Christians as they are God centered with a wonderfully vast selection of different prayers.

I myself am a Lutheran and I thought that this would be a unique buy to add to collection of religious books. I really, really like this book. It has a prayer for almost any life/important occasion/event. I would recommend this book really to anyone who is looking to increase their prayer scope. I also

like the quality of the book, I like it's size and I like the nice ribbon bookmark incorporated into the book. I also like that it had daily prayers. It was also an affordable price, I have given these as gifts to friends and family and they love it. A great buy.

an excellent prayer book for lutherans and people of all faiths. many faithful have some difficulty in knowing "how" to pray or what to say. this book not only answers those questions but also offers prayers for many different situations. in spite of the title "lutheran" book of prayer it is a wonderful "general" prayer book it fulfills many purposes and can help one speak to the Lord in simple understandable ways. highly recommended for all who are looking for ways to communicate their needs to God.

Again. A great decision to get a hard copy. There's nothing like holding it in my hands and flipping through different prayers that you never knew you needed THAT day.

A great daily read to keep my prayer life on track. The shipment was swift and the quality of the book was very good. It appears as though it was given to someone for their confirmation. It makes me sad they did not decide to keep it, but I guess I can benefit from Logan's (the name on the cover and inside) book!

I didn't grow up in a religious household, but I have really been exploring my faith the past handful of years. I had no idea this book existed until I was looking for a copy of the Lutheran Service Book to have at home and I came across this little gem. The description sounded awesome so I ordered it. It's been a joy to read through and utilize this book the past few weeks I've had it. It's a must have for every Lutheran person/family, or any religious person/family for that matter. I'd highly recommend it!

I absolutely love this book. It has very powerful prayers in it. It has specific prayers: i.e., doctors, nurses, Labor Day, Independence Day, etc. There are daily prayers that include a morning prayer and an evening prayer. If you pray daily this book only enhances your prayer life. If you do not know what to pray this book has it in it. This is my second copy of this prayer book. I used the first one until it absolutely fell apart. I have been using this Book of Prayer for about 5 years. I find a lot of peace and comfort in this book. If you are looking for something to help you in your daily prayer life the Lutheran Book of Prayer is a way to do that. It is a wonderful book that will connect you to God on a

daily basis.

This is a small book with a comprehensive prayer offering as well as liturgical material. It is a useful resource for addressing a goodly number of occasions.. Good purchase!
