Customer Reviews

Generations of children around the world have grown up spending hours poring over books by the late RICHARD SCARRY filled with all the colorful details of their daily lives. No other illustrator has shown such a lively interest in the words and concepts of early childhood. He began his career at Golden Books in the 1940s, and he remains one of the world's best-loved children's authors EVER! He was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

perfect for on the go, they can carry with the handle

Small books with no little text but fantastic drawings that stimulates the imagination! I can see it is meant to be used while on the go, as they come in their own re-usable little carrying suitcase. My 16mo likes to point at the images for us to describe them.

My grandson loves these books!! They're just the right size for his little hands!!
