Customer Reviews

Amazing short story. Always nice to get other points of view. Nice to know more about Keller too. He is a great character

Loved it. Can't wait to read more about Ripley and Keller. Kaitlyn as a new writer keeps you wanting to find out more about the characters. Very nicely done Kaitlyn.

Nice addition to Crossed Lines. Well written and a nice change of pace from most other authors that only write from the view of the main character.

I like all horse Books! Spent may years riding.

This short story is a good lead in to the authors new trilogy. She leaves enough teasers for the reader to foresee the future relationship and family drama. Can't wait to see where Kaitlyn takes the storyline
