Customer Reviews

Book by HOLT, RINEHART AND WINSTON

Great buy, nearly new condition!

Great purchase! Easy transaction.

Excellent!

I am physist and found this book very useful.

1

This book was what my high school student needed. It is the same book as the on-line version. Arrived quickly and in great condition

Just as advertised, perfect condition, quick delivery. It's important to make sure you are getting the right printing of this book if you are using it for a class. There are several by this author and it is easy to mistakenly pick an older version.

bought to replace daughter book that was issued in really poor shape and made it hard to use
