Speak Dolphin: Deciphering The Dolphin Code

Synopsis

Jack Kassewitz has been working for over fifty years with all kinds of animals from eagles to orangutans. This book chronicles his amazing discovery of the basis of dolphin language as never seen before.It also traces his early childhood and how loving parents, a caring science teacher, and a physician mentor turned his early learning challenges into a journey of scientific and self discovery with astonishing results.

Customer Reviews

Very interesting stuff. There is lots yet to learn about Dolphin communication and Jack Kassewitz is chasing new ideas that may expand the thinking beyond "language".

I recommend this book to everyone! It's possible to communicate with animals if you believe in them the same as you believe in humans.
