Grenada, Isle Of Spice Map

Synopsis

Topographic survey map of the island, with larger scale inset of the south-west peninsula and a street plan of St George's. Relief is portrayed by vivid hill shading, with spot heights and contours at 200 feet intervals. Forest, mangrove and swamp areas are indicated. Road classification distinguishes surfaced and unsurfaced roads, 4WD trails and footpaths. The international airport, buildings and built-up areas are marked as well as ruins and antiquities, and other notable buildings e.g. hospitals, post offices, churches. The South-West Peninsula, shown at 1:25,000 with more detail, is indexed for selected notable buildings and locations. The simple street plan of St George's is at 1:10,000 and is also indexed for various locations and buildings. Latitude and longitude margin ticks are at 5' intervals and a UTM grid is drawn over the map.
