Brittany And Normandy: Your Guide To Great Drives (Signpost Guides)

Synopsis

This volume is a selection of the best areas for touring in Brittany and Normandy, featuring D-Day beaches and World War II memorials, Breton ports and guides to Rouen and St Malo. It includes scenic routes around Channel ports; beaches and inland villages, standing stones and churches; and information for getting around without a car. Places of interest are highlighted and information is given on detours to get you off the main tourist trail. Rules-of-the road are explained for this particular destination and information is given on selected accommodation, dining and shopping options. The book also includes at-a-glance ratings to quickly assess the quality of local attractions.

ISBN-13: 978-1841572277

Package Dimensions: 8.1 x 5.8 x 0.7 inches

Shipping Weight: 1.2 pounds

Average Customer Review: 4.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #4,050,421 in Books (See Top 100 in Books) #66 in [Books > Travel > Europe > France > Brittany](#) #96 in [Books > Travel > Europe > France > Normandy](#) #4697 in [Books > Travel > Europe > France > General](#)

Customer Reviews

This is a typical Signpost guide. I really like it because it gives suggested routings for sightseeing excursions in each area.

Written from a British point of view, this book is full of details, side trips, decent maps and estimated travel times. What it lacks is consistency (some areas are rated highly for scenery, history, or food while other areas don't even refer to those categories, substituting child friendly or historic). While one person's trash is another's treasure, this guide avoids any real distinction between "absolutely must see" and "nice if you have spare time" in its itineraries . . . little help to those who have only a few days to travel.
