The Great Easter Egg Hunt (A VeggieTales Book)

Synopsis

A fun new VeggieTales music book about the greatest prize of Easter. The Great Easter Egg Hunt is finally here! The Veggies are so excited and can't wait to see what is inside their eggs. Petunia wants an egg with something sparkly and pretty, Laura and Junior are hoping for candy, and Larry is searching for silliness, as usual. When the hunt is done, Junior is the only one who hasn't found what he'd hoped for -- his egg is empty! But as Bob explains, that is the best egg of all, for it represents the empty tomb and Jesus' Resurrection on Easter. Children will love this fun book with the true meaning of Easter woven throughout -- and they will love pushing the button to hear the classic song, 'Christ the Lord Is Risen Today,' sung by their VeggieTales favorites! Ages 2-5.

Melinda Rumbaugh grew up in southern Illinois, reading past her bedtime whenever she could get away with it. Books are still a big part of her life as an editor at Ideals, though stealth and flashlights are rarely necessary. She lives in Brentwood, Tennessee, with her husband, Erik, and their two cats, Qwerty and Gizmo. Lisa Reed has been drawing pictures since she was old enough to hold a pencil. She began her career as a graphic artist for a screen print company and has been illustrating books for the past 15 years, including dozens of children's books.

My daughter loves this book. And I love that the music stops when you push the button again. Because she pushes it ALL THE TIME. Also, she learned the song and now runs around the house singing "Jesus Christ has risen today!!!". It's super cute and I'm glad she learned it, but can they install a stop button on her too?

The song is slightly too loud but the story is cute and my kid loves it! Also love the fact that pressing the button a second time turns it off if you need to.

This is a wonderful book for simply understanding the true meaning of Easter while also allowing the child to enjoy the fun part of the secular additions of Easter. The book is short and colorful . It give the child a great beginning to discuss their faith at their own level of understanding.

My niece was so excited to receive this as one of her gifts on Easter!

We love veggie tales, and my children always get excited about these books!

This was a perfect addition to my 16 month old's Resurrection basket. No Easter bunny or other commercial froo froo.

My 3 old daughter loves this book! The music, story and all the colorful pages keep her going back to this one.

This is a great little book with a cute story and simple but important message. My son is only 15 months so he doesn't actually get any of it yet. He loves the rhyming of the story and pressing the button for the song though. It keeps his attention the whole time, which is hard to do at this stage.
