Book by Paret, Betty

This is a nice book, recommended by an accomplished harpist for us beginners. I have been able to pick through and widen my humble repertoire :)

This is very good; it takes one step by step to help in getting to be a great harpist or harper, whichever is preferred.

Great addition to my study

Just right

Great book for learning

fantastic book for starting harp lessons. great little tunes!

Ok to the beginner !!

It is okay, but I just don't know how to read music notes yet....I thought it is a manual but it's not.
