Customer Reviews

Exactly what my daughter needs for her music theory class. Beautiful cover and perfect pages

perfect little song book. has space on one side for writing out the music and on the other side for lyrics or notes. I've really enjoyed using this book!

Not very well made. Cheap paper cover and tough to open without splitting the spine and papers falling out. Notebook paper on one side with music paper on the other is a plus though. Makes note taking in music class much easier

so happy now I can put the words down but I done forgot the scales ha ha

Perfect music journal!! Great front graphics too

My budding songwriter loves this!

The journal was just what I wanted. I gave it to a young friend who took it traveling with him for the summer. He said that it was perfect.

I bought this for a friend of mine, it is beautiful! She loved it so much!
