Dally (Pendleton Petticoats Book 8)

Synopsis

She's ready to spread her wings and fly. . . He's scrambling to set down roots. Unconventional Dally Douglas is as likely to be found wearing her brother's britches and riding a horse as she is dressed in lace-trimmed finery sipping tea in the parlor. With no plans to wed, she convinces her family to allow her to stay at their ranch in Oregon. Free and unfettered, she plans to remain that way, even when the town's beloved young doctor returns home and captures both her interest and her heart. Charismatic, handsome, and dedicated to his work, Doctor Nik Nash finally makes his way back to Pendleton. After years of studying and gaining hands-on experience, Nik is excited to bring his skills and knowledge to the place he calls home. Focused on his career, he has no time for a woman, especially not one as lively, fascinating, and enchanting as Dally Douglas. When a freak accident brings the two of them together, their stubborn determination may cost them the chance to know true love. Bursting with sweet romance, this tender yet lighthearted story draws readers into a world of rustic elegant charm.

Read all the Pendleton Petticoats Books

Dacey (Prequel) - Unaware his conniving mother arranged for a mail-order bride, Braxton Douglas has no idea what to do with the intriguing woman who arrives on his doorstep ready to wed.

Aundy (Book 1) - One stubborn mail-order bride finds the courage to carry on when she's widowed before ever truly becoming a wife, but opening her heart to love again may be more than she can bear.

Caterina (Book 2) - Running from a man intent on marrying her, Caterina starts a new life in Pendleton, completely unprepared for the passionate feelings stirred by the town's deputy sheriff.

Ilsa (Book 3) - Relying on others to guide and protect her, Ilsa finally finds the strength and courage to take control of her life. Unfortunately, her independence drives a wedge between her and the man she's come to love.

Marnie (Book 4) - Giving up on her dreams for a future, Marnie finds her hope rekindled by one caring, compassionate man and the orphans who need her.

Lacy (Book 5) - Bound by the past, Lacy dreams of a future full of excitement, adventure, and the love of a good man.

Bertie (Book 6) - Haunted by the trauma of her past, Bertie Hawkins must open her heart to love if she has any hope for the future.

Millie (Book 7) - Determined to bring prohibition to town, the last thing Millie Matlock expects is to fall for the charming owner of the Second Chance Saloon.

Dally (Book 8) - The last thing Dally Douglas wants is the dashing young doctor in town to turn her head. Too bad her heart has other plans. Scroll up and download your copy today!

Customer Reviews

Young, handsome, ambitious and grateful, Doctor Nik Nash returns from his medical training in New York and Chicago to begin his career in his beloved Pendleton. Driven and Intent on his practice, a beautiful and spirited young girl visiting from her home in North Carolina throws Nik's plans into a turmoil. Dahlia Douglas happens to be the daughter of former Pendleton resident Dacey Douglas and wealthy plantation owner Braxton Douglas. She is intent on someday marrying a true cowboy as she loves nothing better than horsemanship, much like her mother. But Dr. Nik? He could care less about that. Thrown together by a freak accident, they must somehow come to grips with their approach/avoidance mutual attraction to each other. Author Shanna Hatfield's Pendleton Petticoats book #8 reads almost like a personal "thank you" to her faithful fans who have read the entire series, including the prequel Dacey, Bride of North Carolina. Virtually everyone who is anyone (including Steve the mule) makes an appearance in this sweet and nostalgic romance which takes us back to the very beginning once again. It is also a heartfelt tribute to the joys and blessings of adoption as ultimate survivor Nik overcomes orphanhood as well as being shot and left for dead as a youngster. Featured is the noble and very pregnant Aundy Garrett who is Nik's adoptive step-mother. (is it a boy or girl?) Could a reader, unfamiliar with the Pendleton Petticoats series, enjoy Dally? Yes, it is a "stand-alone" book. However, in order to understand the dizzying array of family, friends, and acquaintances from the other seven books in the series, perhaps it would be a

good idea to begin reading the entire series from Dacey and Aundy. Give it a go, dear readers, you'll not regret it!

Dally and Nik are both strong, determined individuals. Dally isn't your typical southern belle. While she enjoys beautiful dresses, she is very likely wearing her favorite boots under her fashionable attire, and ready to wear her younger brother's pants to work with her beloved horses. She can't picture herself marrying anyone that isn't a cowboy, and then she meets Nik. Nik is just starting his career as a doctor in his hometown. Even though he started out as a shepherd on a ranch, his preferred mode of transportation is a motorcycle. He is focused on his new career and then he meets Dally. All sorts of fun, witty conversations, a rodeo, and sweet romance make up this wonderful story of Nik and Dally. I love all of the wonderful characters from this series and look forward to every new edition to it! Shanna does a phenomenal job taking you back in time to enjoy a time in history where family, friends, and community were of utmost importance! As always, I couldn't put it down, hated to see it end, and can't wait for the next book!

Oh my, Shanna! I do believe that Nic is my very favorite hero yet! Handsome, loveable, mischievous, and so giving of his heart. I always loved him from the very first, as a young boy of ten when he showed up at Aundy's doorstep many years ago. Add Dally, sweet, sassy and determined to live her life the way she wants and we have a sweet but fun romance to follow to a HEA, always guaranteed with a Shanna Hatfield book. The story flows along with wonderful characters that you want to have as your best friends. All in all, I had a wonderful time revisiting favorite characters that live in Pendleton, OR. and meeting new ones. And I have to add, the best ending ever!!!! JudyE

Shanna Hatfield never disappoints. This is a great and most enjoyable novel. Shanna's character development is always perfect to the imagery that I have in my mind's eye. (Or perhaps her vivid details paint the image I hold.) I also appreciate the research of historical facts that Shanna does for each of her books! This is a must read for all you hopeless romantics out there.

A fun read, including adventure and reuniting with characters from past reading experiences. Really enjoy the sense of humor and emotions that Shanna Hatfield incorporates into each and every story. It feels so real that you expect to look up and see the characters and interact with them. Love her stories.

I absolutely love this book. I have been waiting for Nik's story and Dally was a perfect match for him. She wants to marry a cowboy and Nik wants to be married to his career as a DR. Can they find a way to make it work or will a big misunderstanding ruin it all.

I was so excited to finally read Niks story! I've loved every book in this series and this one was just as great! This author does a great job keeping you intrigued through out the whole book. Loved it!

This was a great story with all of the familiar people in this cute little town. I really enjoyed the chemistry between these two and was glad to see Nik get a starring role.
