Customer Reviews

Whitney Cranshaw is an associate professor of entomology at Colorado State University and author of several books, including *Pests of the West* and *An Illustrated Guide to the Mountain Stream Insects of Colorado*.

It's a good reference for gardeners, and was recommended in the Master Gardening classes I am taking.

Great book

Good info, pretty pictures

Book is great and the author is an engaging speaker; great stories, enthusiasm and a wealth of knowledge. Thanks Whitney!
