# Christmas At America's Landmark Houses

## Synopsis

Here is Christmas decorating, history, architecture, and interior design wrapped in one sparkling package. Three-hundred and sixty-three gorgeous, inspiring images provide leisurely looks at historic house interiors magically decorated for Christmas. Begin with the Foreword by Christopher Radko, famed re-creator of vintage Christmas ornaments. Tour historic holiday homes from Filoli to Colonial Williamsburg, and look inside San Antonio's most beautiful house--the Spanish Governor's Palace. Marvel that a typical ranch-style house was home to two future US presidents, a first lady, and two governors. Visit the honeymoon home of Bill and Hillary Clinton. Enjoy the modest dwelling of Canadian WW I flying ace Billy Bishop, and tour the "castle" of Model A creator Edsel Ford. Some houses' Christmas decorations are period correct; others are joyfully au courant.

This item was exactly as described and arrived promptly. I would purchase this item again.

Beautiful book & was a nice gift!

Great!

Nice book I bought for my spouse as a Christmas gift. Really nice format for people that appreciate great decorating skills.

Gorgeous Book!

STUNNING! These pictures of gorgeous, old homes, put me in a Christmas road trip mood! This is mainly a picture book, but there's writing to tell the significance of home being shown, who owned it, historical background etc. Many of the homes are of past presidents, or homes from historical eras such as colonial Williamsburg with photos of people dressed in that time period, doing things from that era. Beautiful, gorgeous pictures of homes done up for the Christmas holiday (although there was one not very much so. Could've been from any time) but for most part snow helped the spirit of the pictures, gorgeously decorated Christmas trees & other objects such as nativity scenes. One house/museum was of Spanish descent so no snow, lots of poinsettias & Spanish hacienda look, in place of what we traditionally think of for the season. It reminded me of going to Longwood Gardens at Christmas time. Some pictures had outdoor lighting, beautiful indoor displays & just reminded me of homes such as the DuPont home. I'd highly recommend this as a coffee table book to be put out during this season, then put away again until the next year, just to keep it as a special time of year book, looking back at Christmases past. I received a digital copy of this book from Net Galley & Schiffer Printing--Thank you! In return for an honest review

Pictures were beautiful and was a very nice book to have sitting out for the holidays.
