The Happiness Prayer: Ancient Jewish Wisdom For The Best Way To Live Today

Synopsis

"Rabbi Moffic makes Jewish teachings relevant. He inspires us to find acceptance, joy, and happiness in everything we do."~Jason Brown, Olympic Figure Skater
"We think we know what makes us happy. But experience says otherwise. People today are more stressed and frustrated than ever. What can we do?"
"We can turn to an ancient instruction manual...a prayer for life composed 2000 years ago."
"Based on ten practices any person can follow, the prayer has helped thousands of people-couples, teenagers, empty nesters struggling with loss, divorce, and ruptured relationships-find renewed meaning and purpose in their lives."Rabbi Evan Moffic discovered the power of the prayer when he was called to become the youngest rabbi to lead a large US synagogue at just thirty years of age. The prayer became his guidepost, providing him with the wisdom to lead beyond his years. It is not a typical prayer in that you just say it. It is an active prayer because you live it. The magic is not in the words. It is in the way you use the words to change yourself.
"You will discover those words in this book--and the ten life-changing practices it reveals."
