Insight Guides Provence And The French Riviera

Synopsis

With its fabulous artistic heritage, glorious light, glitzy resorts and mouth-watering food, it's little wonder that the Provence-French Riviera region is the second most-visited in France after Paris. And Marseille, the rejuvenated 2013 European Capital of Culture, can now claim to be one of the Mediterranean's most vibrant cities. Be inspired by this thoroughly updated edition of Insight Guide Provence and the French Riviera, a detailed full-colour guide to this glamorous region. Inside Insight Guide Provence and the French Riviera: A thoroughly overhauled edition by our expert authors. Stunning photography brings this stunning region and its people to life. Highlights of the region's top attractions, such as stunning perched villages, arty Avignon and the awe-inspiring Pont du Gard. Descriptive area-by-area accounts cover the whole region from rejuvenated Marseille to glitzy St-Tropez. Detailed, high-quality maps throughout will help you get around and travel tips give you all the essential information for planning a memorable trip. About Insight Guides: Insight Guides has over 40 years' experience of publishing high-quality, visual travel guides. We produce around 400 full-colour print guide books and maps as well as picture-packed eBooks to meet different travellers' needs. Insight Guides' unique combination of beautiful travel photography and focus on history and culture together create a unique visual reference and planning tool to inspire your next adventure.

Customer Reviews

Plan the perfect trip with Insight Guides' unique combination of inspiring photos, absorbing narrative and detailed maps

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

This book was not very helpful for us. The book is broken up by region, with a few paragraphs for each that region and major cities. The major highlights are listed in the paragraph. At the end, they have a list of places to each and stay. We found that information was almost useless and just a list of places to eat. It was hard to use the book to decide on places to visit and/or eat. This book does cover a broad region so maybe we expected too much. We left it in the recycling bin upon our checkout from the hotel.

Very good overview of Provence & the French Riviera without getting too deep. The photos and maps were very helpful.

A good guide to get an overview of Provence, France's most enticing region, with photos that will want to make you catch the next flight there. Limited information on accommodation and restaurants but I use Trip Advisor for that stuff.
