You can get this info for free by: (1) go into your account, (2) click on "Manage Your Content and Devices," (3) click on "Kindle Support," (4) click on "Borrow, Lend and Return Books" in the Kindle section. Then follow the instructions. No need to buy this book.

Why does it have to be so difficult to use the Lending Library and why do we have to 'borrow' or buy

the information on how to use it? I took notes while reading the book. I returned the book and haven't been able to go to the Lending Library since then.

You can only get 1 book a month. I read 6 books a month, and it's hard to navigate.

I still can't figure out how to borrow books. I'm so fed up, I'm going to return my new Kindle Fire.

Very useful but it should have been free.

Doesn't show how to get the free books. Sample pages shown don't exist .

I only have a Kindle app. This book is not worth the money, don't waste time or money getting it.

Don't waste your money, regardless of how low the price!
