Plumbing 401

Synopsis

Designed for the fourth-year plumbing apprentice, Plumbing 401 uses a clear, easy-to-read writing style to provide a thorough understanding of practical plumbing installations and national plumbing codes. Coverage spans residential, commercial, industrial and institutional arenas, and includes important topics such as service and repair, blueprint reading, installation practices, heating systems, and related science and plumbing codes. Practical in its approach, with an emphasis on both safety and the latest plumbing technology, this guidebook will prove to be a valuable resource for apprentice and licensed plumbers alike.

Book Information

Customer Reviews

Delmar Cengage Learning has given the PHCC Educational Foundation the partnership it needs to bring the best training publications to the plumbing and HVACR industry. Their professional staff has been with us every step of the way, providing the resources and support we need to create the products and market them to a national audience.- Merry Beth Hall, Director of Apprentice & Journeyman Training, PHCC Educational Foundation

The Plumbing-Heating-Cooling Contractors Association (PHCC) Educational Foundation was founded in 1987 by a partnership of contractors, manufacturers, and wholesalers. Its mission is to provide workforce development, management education, and technical training to advance the

growth and career success of those employed in the plumbing and HVACR industry.

Great set of textbooks on plumbing
