DK Eyewitness Travel Guide: Arizona & The Grand Canyon

Synopsis

DK Eyewitness Travel Guide: Arizona and the Grand Canyon will lead you through the best attractions the state has to offer, including fully illustrated coverage of all the major sights from the Grand Canyon to the haunting beauty of the Colorado Plateau. DK Eyewitness Travel Guide: Arizona and the Grand Canyon explores the culture and history of the state, covering the native civilizations that have lived there for thousands of years and provides the insider tips you need, whether you are visiting the ghost towns and historic recreations like Ottoman and Tombstone or modern cities like Phoenix and Tucson. Plus, you'll find reliable, practical information on getting around Arizona by bus, plane, train or car. This fully updated guide is packed with comprehensive listings of the best hotels, restaurants, shops, and nightlife for all budgets. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that brighten every page, DK Eyewitness Travel Guide: Arizona and the Grand Canyon truly shows you this state as no one else can.

This is a very informative and well written travel guide, which includes hotel and restaurant recommendations. DK's recommendations are usually reliable. One cavil: there is no mention of the Phoenix area light railway, which is an excellent way of getting to those parts of Phoenix and Tempe which its route covers. It is relatively cheap to use--an all day ticket costs \$4.00--and is relatively new, very well maintained, extremely clean and perfectly safe. While it does not go to Scottsdale it does go to the wonderful Heard Museum with its rich collection of North American Indian (and other aboriginal peoples') artifacts. It should not have been omitted from this guide. While it is true that you can go to most places by rental car, and Phoenix downtown is disfigured by huge humbers of mammoth parking garages, the light railway is a pleasant, stressless and inexpensive way to get around.

I am a big fan of the DK Eyewitness Travel Books. This particular volume covers southern Arizona (the desert area), northern Arizona (the Grand Canyon and Flagstaff), and the Four Corners area (the Navajo Nation, Mesa Verde, and Monument Valley). I could have wished that this volume covered more of either Utah, New Mexico or Colorado making a thicker volume, but this one was more pinpointed. Information was current, and all of the helpful suggestions about visiting the Grand Canyon were spot on. My grandmother had tried to help us prepare for our trip by getting materials from AAA, but the four guide books she got from AAA paled in comparison to this one succinct volume. The short history and cultural explanation was perfect for helping my husband become acquainted with the area, and the hotel and restaurant suggestions in the back cover a range without being overwhelming like some guide books. The only correction to make since the publication of this volume is that the Toy and Doll Museum which was previously located in downtown Phoenix near Pioneer Square moved in April 2015 to a new location. That aside, I will continue to purchase DK Eyewitness Travel guides for their clarity, ease of reading, and photos. DK Eyewitness Travel guides also make it easy to decide how to manage your time and what to

prioritize on your trip. Happy traveling!

Eyewitness books are always the best. This one was very helpful

DK Eyewitness Travel Guides are always very informative, with great pictures and recommendations. Used this book to recently tour some of the spectacular areas of Arizona, including Grand Canyon, Sedona, Phoenix, etc.

very handy for before-trip research, and on-sit clarification.well researched, and organized.In a lot of places, there's no wifi.

I really do not have anything bad to say about this travel guide.DK Eyewitness is always a go-to for me when I'm traveling! Pictures, maps, trails, etc.Nothing is missing!

Good. Not comprehensive

Nice book showing different areas to visit in Arizona!
