Home Course In New Ballroom Dances

Synopsis

This early work on dancing is a fascinating read for any enthusiast or historian, and contains much information that is still useful and practical today. Extensively illustrated with explanatory diagrams, forming a complete how-to guide to such popular dances as the rumba, conga, tango, fox-trot, shag, and waltz. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
