Customer Reviews

The music would have been fine but the seller sent the piano accompaniment only and no flute part so I am stuck with something I can't use. I like the other edition (blue cover) but it costs quite a bit more. Make sure you are getting both parts.

The book did not have the separate flute score. The piano parts are large with tiny flute notes. My daughter is unable to clearly read the notes.

This is a great collection of wonderful sonatas.

Not the best edition, but good enough.

Teacher said the Sonatas are not numbered correctly and phrasing has been altered. Contains both flute and piano music book and a separate flute only book.
