DIY Cocktails For Any Occasion: The Cocktail Party Guidebook To Learn How To Make Edible Cocktails And More

Synopsis

While not a new concept, edible cocktails have become all the rage in recent years. With the boom of Pinterest, came a world of recipes galore that people of all walks of life could try, and this included elaborate adult beverages that you could eat! Unfortunately, a lot of people are put off by the thought of making their own cocktails, especially after seeing how some are made at restaurants. They are typically under the misconception that making their own DIY cocktails is too expensive or difficult for them to handle. This couldn't be further from the truth. Most ingredients needed to make drinks for the cocktail party are ones you may have on hand right at this moment, and if you don't, you can easily get them at your local grocery store. The most expensive ingredient will be the alcohol and that isn't even that high of a price if compare it to the cost of drinks at a bar. As far as being difficult to make, well *DIY Cocktails for Any Occasion - The Cocktail Party Guidebook: Learn How to Make Edible Cocktails and More* proves that you too can make fancy, fun and elegant cocktails that will delight your guests no matter what the occasion. From elaborate Jello shots to vegetable shooters and everything in between, this DIY cocktail cookbook has all the information you will need to enter the wonderful world of edible adult beverages. Each one of the edible cocktails found inside this book has been tested multiple times to ensure its accuracy and taste. In addition, each recipe includes preparation time and serving size, and includes step-by-step directions that anyone, no matter their previous cocktail making experience, can successfully recreate. So what are you waiting for?
