The Abolition Of Man & The Great Divorce

Synopsis

Have we been taught to discount the veracity and deeper meaning of our emotional resonance with the world around us? In *The Abolition of Man*, C.S. Lewis looks at the curriculum of the English "prep school" and begins to wonder if this subliminal teaching has indeed produced a generation who discount such a nature. In *The Great Divorce*, C.S. Lewis's classic vision of the Afterworld, the narrator boards a bus on a drizzly English afternoon and embarks on an incredible voyage through Heaven and Hell. He meets a host of supernatural beings far removed from his expectations, and comes to some significant realizations about the nature of good and evil.
