Unforgettable Steve McQueen

Synopsis

• "Extremely sexy, extremely wild and extremely talented." • "Uma Thurman • Steve McQueen gave a new meaning to coolness." • "Kimi Raikkonen • He loved speed. He was strong-headed. We could have gotten along well, I think." • "Maria Sharapova Can it really be a quarter-century now that Steve McQueen has been gone? Felled in 1980 while undergoing treatments for mesothelioma, the actor who ruled the box office in the 1960s and 70s remains a myth, having been a juvenile delinquent, Marine, oilfield roughneck, lumberjack, producer, motorcycle racer, sports car driver, and Hollywood King of Cool. Verlhac Editions is proud to announce a revamp of its popular forthcoming Unforgettable Steve McQueen, which now features a series of exclusive quotes from famous McQueen admirers such as Formula One pilots Kimi Raikkonen, Lewis Hamilton, and S bastien Bourdais, actresses Uma Thurman and Priyanka Chopra, and tennis star Maria Sharapova. Steve McQueen inspired these prestigious celebrities so much that we felt compelled to allow them to express themselves in Unforgettable Steve McQueen. Now, Unforgettable Steve McQueen documents his fascinating life with a collection of rare and stunning images. McQueen is most famous for his work in such films as The Great Escape, The Thomas Crown Affair, Bullitt, and The Towering Inferno, but was also an avid motor racer, whom the American Motorcyclist Association posthumously added to their Hall of Fame in 1999 and hailed for helping the sport overcome its outlaw image. The book captures both life stories in photographs by Sid Avery, William Claxton, Raymond Depardon, Larry Kastendiek, and others, as well as vintage selections from various archives. Unforgettable Steve McQueen is the definitive picture book on this legendary icon.

Customer Reviews

"Extremely sexy, extremely wild, and extremely talented." -- Uma Thurman

Henri Suzeau is a renowned motorsport journalist and regular writer for Franceâ™s AutoHebdo. In 2006, he released an authorized biography of Champ Car multiple world champion SÃ©bastien Bourdais, with a foreword by Paul Newman.

I learned nothing new about Steve McQueen but beautiful pictures make it worthwhile. Is it possible to write something new about Steve after a multitude of books ?

perfect book....

King of cool for sure!

This made for constant flipping back and forth in the book of basically pictures of the The King of Cool.

TrÃ©s beau livre, complet sur Steeve Mc Queen les photos sont certaines inÃ©dites et toujours de qualitÃ©. Pour les fans et autres !!!

Good book, but I did not see a foreword by Brad Pitt as mentioned in the description.
