Grade Level: Preschool and up

Customer Reviews

Jerry Smath is the illustrator for several books for children, including Thumbelina, Sammy Salami, and But No Elephants. He lives in Croton-on-Hudson, NY.

The Wheels on the Bus is another book that the verse was embroidered on a Nursery Rhymes Quilt I made for my first Great Grandson. At the shower we were asked to bring a story book instead of a card. Nicely illustrated book.

The quality of the music in this book is poor. The music is the old, annoying sound, not like the newer books. There are greeting cards in the store with better quality. It arrived already beginning to "go off key" so I have no doubt it will wear out very quickly as others have said, but this is a feature my children and I have decided is just fine with us (the book is for my grandson.) I am hoping to one day find a good quality music book (with replaceable batteries) that plays "Wheels".

My son loves this book, and of course you can't help but sing with it. It doesn't include all of the verses some people may be familiar with, but enough verses to be long enough without being too long. It is physically a pretty small book. My son likes to point to the dog and trucks in several of the detailed illustrations, too.

My 1 year old LOVES this book. He constantly hands it to me to sing and read. At first I was so excited but I have to be honest, it has gone "missing" for a day or two! One can only sing the same song with enthusiasm so many times in a row. I don't find the illustrations that engaging but my son is totally into them and points to all the different people, animals and vehicles. This book is a happy mystery.

I didn't realize how small it would be, but that is probably my own fault and for the price, I can't complain!

Oh my grandbaby just loves this book. She has me read it to her over and over again. Thank you.

This is a smaller book which is great for putting in your purse and bringing it on the go!

I love singing this book to my grandson. Love the illustrations. Well made book.
