Joey's Baptism: A Guide To Prepare Children For Their Own Baptism

Synopsis

Joey's Baptism is a Christian activity book that leads your child step-by-step through the important elements of Christian baptism. Each chapter gives a straightforward and engaging explanation of the important elements of Christian water baptism. They're big concepts presented in simple terms to match your child's level of understanding. Activities at the end of each chapter reinforce the concepts introduced in each chapter. Joey's Baptism is targeted for children from 5 years to 10 years old. The Bible lessons are written in a style that is simple enough for a five- or six-year-old to understand, yet the concepts are challenging enough to satisfy the interest of a nine- or ten-year-old. To better match varying abilities for children of different ages, each chapter ends with two pencil activities, one for younger children and one for older children.

My name is Rob Favero, and I'm the creator of Joey's Baptism. Joey's Baptism came into existence when I needed to prepare my two older children for baptism (this was several years ago). Since other people were likely to need a resource like this, I decided, "Why not put in the extra effort to make Joey's Baptism a booklet that lots of people could use?" I'm a father of four and a husband of one, and I live just east of the beautiful Colorado mountains in a suburb of Denver. In addition to raising my children, I've been involved off and on through the years with children's ministry. My roles have included junior high youth program leader, Sunday school teacher, kids choir parent helper, homeschool gym day leader, and the Awana Clubs game-time at

our church.

I liked it very much. It helped me explain baptism to my two girls. It was straight to the point.
