Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. These days, it's more important than ever for kids to learn the basics of spending and saving. What kind of person is an entrepreneur? It's just a person (even a kid) organizing and managing a business undertaking, assuming the risk for the sake of the profit. Someone who perceives an opportunity and creates an organization to pursue it or simply someone who is looking to build/develop a company. This book was created to help kids develop entrepreneurial ideas and to provide steps to take in the entrepreneurial journey. We believe that kids can learn to be entrepreneurs and kids have many characteristics of an entrepreneur. Let's believe in the potential of kids and the need to inspire entrepreneurship at an early age. Many studies suggest that the environment you grow up in affects who you become. What kind of environment are you providing for your children? This book has been created about the basics of entrepreneurship for children. It was designed to help kids see and participate in an entrepreneurial experience. After downloading this book, you will learn...

Chapter 1 - The What and Why Behind Business
Chapter 2 - Choosing the Right Business
Chapter 3 - Business Basics
Chapter 4 - Business Ideas
Chapter 5 - Business Implementation
Chapter 6 - Business Evaluation and Improvement

Much, much more! Read what other people have to say "It is super awesome! It includes helpful hints and tips in the business, and gives profiles on kid entrepreneurs who succeeded. All in all, a great book. I would highly recommend this book to any young entrepreneur who wants to start a business. All in all, a great book"- Prof. M. Johnes Phd - "It's important to teach our children some responsibility regarding money and teaching them entrepreneurship is the right thing to do."- Irma K Thurston - "Interestingly business reference book made for kids. The ideas of entrepreneurship with your children given here is a good start to awaken their interest and to educate them on business basics. Also, the very purpose of this, is to let them understand that making money is not that easy and that way, they could also learn how to spend wisely. Setting objectives and strategically trying some of the simple business ideas could also be a great means of bonding between the parents and their kids."- Twister M. - Download your copy today! Wow! My friend told me that this book can helped my daughter a lot and she is right. This book was amazing and fantastic because it helped my daughter to learn how important the basics of spending and saving. My daughter enjoyed reading this book because she learned a lot and this book broaden her mind on what entrepreneur is all about. It will provide us the steps on how we can help our kids to take in the entrepreneurial journey. This book will give us an idea on what business is

right for you.

This is a great book, lots of great ideas for businesses that your child/teen can do. This book has useful information for any child thinking about beginning a business. Since the tips and skills taught can apply to any type of business, this book can also serve as a "double check" for kids already in business for themselves. They will be sure to find some new concept.

this is a short book giving awesome ideas about kid's business. Doing business right from early age will give unbeatable advantages at later stages because getting a great success in any business takes time and effort and starting at early stage will be definite an advantage. The book is helpful in giving such ideas. Highly recommended !

Great business ideas. I really liked this book because it can really teach you how important the basics of spending and saving are. Really helpful book, great information. Great beginners book. Highly recommended !

I liked this book but I had only hoped that it would have inspired my daughter more than it did! Lol. I am glad that it was available.

This book was written for an adult business. Felt like they just changed around some words and then try to sell for kids. Most of the ideas are not reasonable for kids unless they are 11 or 12.
