Customer Reviews

Love all of your books.. So glad Parker and Kelsey regained their sistership and how all the characters were brought together.. I love the love that is presented in the story line.. love conquers all

You did it again! I love the way you wrapped the two stories into one and provided that awesome ending! I can't wait until the next release!

The book wasn't finished it stopped at chapter 10.. Unless I got a bad version. I have been waiting for this book for 2 weeks. I am a fan of this author. She needs to fix this issue asap.

This book states 200 pages but stops after chapter 11??? So disappointing, is there supposed to be more and I paid 4 dollars for this and it's not even finished? ???

I have read all books in this series, but this one was disappointing.

Where is the rest of the story??

A chapter should consist of more than one paragraph. Story was good until this chapter, need to correct .
