Synopsis

Nestled at the foothills of the Sandia Mountains, Albuquerque is a walker's dream. This self-guided will take you back in time to the early days of the founding of the city up through today's vibrant downtown area. Albuquerque retains a vital connection to its past while always looking forward. Ancient rock carvings at Petroglyph National Monument on the outskirts of the city, the historic Old Town Plaza, and the numerous vintage neon signs along Route 66 all blend seamlessly with today's modern structures and offers those who walk much to see and do. 30 Stops are highlighted on this 6-mile walk where you will learn more about the history of Albuquerque, its famous residents, and its outstanding historical buildings. Beautiful photos are included that enhance your experience. This guide book allows for great photo-taking opportunities, to go at your own pace, take breaks, and explore off of the beaten path.

Customer Reviews

This book is a very fast and easy read. The descriptions of landmarks are very brief and to the point. I was left wanting a more in depth overview. I recommend this book to those who already know

Albuquerque's rich history and just want a quick reminder.
