Book looks perfect... but teacher hasaid not used it yet

After my son was switched from one class to another, we had to purshcase a different textbook quickly. His school bookstore was sold out and were not reodering until next year. Our experience here was superb. The book arrived quickly and in better condition than described. Customer service was curteous and prompt to questions asked. I would definitely reorder in the future. It was a pleasure doing buisness with a competent and professional company.
