Great book by a gifted author.

Before this book I felt a little goofy telling complete strangers things. Why I had been compelled to

say this or that? This book opened my eyes to realize I have (a gift) something special. It's good to be used by God. Let those blessings flow. I will most definitely read again as I grow.

Amazing and I receive all that God will do in allowing me to use my discernment for Gods glory! Love it...

Written from the heart, it is very informative!

Very informational

This has open my eyes to the amazing power we have in God and his scriptures. My life will never remain the same

Awesome book with so much Revelation. Very easy to read and understand. I would recommend it to all who want to have their spiritual as well as their natural eyes opened!!!

I perceived a humble spirit in this saint of the most High God. The key that Yeshua reiterated was to believe. And I personally will keep my faith in the fact that theTrinity can do as they please. I believe as from the Christian stand point it is my faith to agree, and believe what saith the Word.
