The Language Of A Mystic Series: Vol 11: Universality

Synopsis

The eleventh booklet in The Language of a Mystic Series is Universality. In the November booklet we explore the meaning of “Where are you coming from? How honest are you? How deeply do you intend to look at yourself?” To concentrate on knowing yourself, you realize you seek nothing from the world. There is nothing the world can give you. This is the life of aware involvement. The self knows itself beyond all things and is willing to sacrifice itself for nothing.
