The Sight-Singer For Unison/Two-Part Treble Voices, Vol 1: Student Edition

Synopsis

A unique two-volume sight-singing method, with one edition designed for the junior high/middle school and a second edition for upper elementary/middle school treble voices. A full-length cassette provides accompaniments for every exercise. Voice parts are not duplicated, thereby ensuring reading independence. It's fun, exciting, logical and sequential. A great way to teach sight-singing.

Customer Reviews

My daughter is taking voice lessons and this is an excellent book to help her learn to read music notes.

Excellent book for someone beginning to read music and gain awareness of timing.

Great book for Elementary Children 2nd-5th grade students also middle and high. My students are learning a lot from this book and becoming better musicians and sight reading music. They are able to play the xylophone and clap out rhythm. Awesome book.!
