Thich Nhat Hanh: Paintings By Nicholas Kirsten-Honshin 2014 Wall Calendar

Synopsis

Taoist and Buddhist symbols, and the gentle reflection of nature, meet and merge in Nicholas Kirsten-Honshin's artwork. The Thich Nhat Hanh wall calendar combines Honshin's graceful paintings with the words of Thich Nhat Hanh, renowned Zen master, peace activist, and author of over 60 books. Nicholas Kirsten-Honshin is influenced by the sacred meditational space of the transcendental archetypal symbols of Christianity, Zen and Tibetan Buddhism, as well as the shamanistic practices of the world's perennial philosophies. Thich Nhat Hanh's words have inspired many over the years to embark on a more peaceful and mindful path. Nominated for a Nobel Prize in 1967 by Dr. Martin Luther King, Nhat Hanh's gentle Buddhism teaches that transformation and inspiration are found in mindfulness of the present moment. Amber Lotus's other products featuring the art of Nicholas Kirsten-Honshin include greeting cards, a Thich Nhat Hanh mini calendar, and a Thich Nhat Hanh engagement calendar. Amber Lotus calendars have been illuminating spirit in the world for 25 years.

Customer Reviews

Thich Nhat Hanh has dedicated his life to the art of mindful living. He teaches that only through living in the present moment can we approach peacefulness in ourselves and in the world. Born in central Vietnam in 1926, Thich Nhat Hanh witnessed the strife of the Vietnam Conflict. Unable to stand by while villages were destroyed, he helped establish engaged Buddhism, a balance between meditation and the social commitment to helping refugees of the conflict. He has since founded the School of Youth Social Service in Saigon, a Buddhist university, a publishing house and a peace

activism magazine. Thich Nhat Hanh has written more than 85 poems and prose pieces as well as numerous books. His writing is calming and inspiring a true reflection of his life's mission. He lives in Plum Village in France, a Buddhist community in exile that he founded in 1982, where he continues to write, garden and lead retreats.

Thich Nhat Hanh speaks in a way that I can catch what he says ... not all Buddhist teachers do that for me, he does. I'm very happy to have a calendar of his wisdom teachings grace my wall.

Recommend him as a teacher and this calendar as a visual friend to share a year with.

Wonderful calendar! I love Thich Nhat Hanh's writings and was so excited to see there is a calendar featuring him! To be honest, I like the calendar and the quotes so much I am month behind in flipping it. I like last months so much I just won't change it over. Waking up to his words always starts my day in a great way. I look forward to purchasing one next year featuring Thich Nhat Hanh!

I look at my calendar each day and read the message for the month to start my day out. A great way to start a day. And the artistry is so beautiful, peaceful and calming. I've never had a calendar that I look at this often for some reason other than to see what day it is. And as the next month gets near, I'm anxious to get to the next quote and painting. I never get tired of looking at it each day.

I have been a follower of Thich Nhat Hanh for as long as I can remember. How wonderful to have his words of inspiration, and common sense of heart and soul, up on the wall to re-read each morning when I sit down to the computer. A true gift. Thanks to whomever makes this calendar for all of us who love him. Mindfulness is the way to true peace and joy. Believe it.

If one is spiritual and likes reminders and inspiration throughout the year that is a great calendar to have. His words are simple yet very helpful to abide by. I order this calendar every year for inspiration.

Been using this calendar for many years. It's always inspirational, with nice drawings. Includes holidays from a number of world cultures.

Great pictures to look every day!

Love the pictures and loving, compassionate sayings on each page. The Enlightened, Zen Buddhist has written over 60 books, and I try to read them all. This calendar has everything I want. Plenty of room to write down appointments, and the most beautiful words of peace and compassion that we all should be made aware of.
