Lumpia, Pancit And More! How To Create Fabulous Filipino Dishes

Synopsis

Lumpia is a Filipino dish that almost everyone has heard of and loves. Many other Filipino dishes are delicious and relatively easy to fix with ingredients that can be found either at the local grocery store or the local Filipino store. There are rice dishes, pancit, pakbet and much more! Mr. Salazar takes us through some of the more popular regional favorites of the Philippines, choosing recipes that are both delicious and easy for anyone to cook. He gives us not only the flavor of the food, but of the Filipino history and culture as well.

Customer Reviews

We, really, really enjoy Filipino cooking! If you haven't had lumpia, you gotta try it! Great recipes, sometimes you need to translate the translation, but we've had a lot of fun with this book. And yes, for those of you from Montana and West Virginia, you Can Make spicy venison lumpia! If you like challenges making fun and fascinating couples or family meals, you'll enjoy this book!

Lumpia, Pancit and More! How To Create Fabulous Filipino Dishes! thought the book says

MORE....but it is NOT... instead it has more stories...very disappointed. I won't recommend this.

Christmas gifts!

Though I like the stories I'd prefer a little more recipes personally. Also maybe it's just me but I like the kind of books that use modern options for things like give you the ability to go gluten free or organic which this doesn't have. But of course it's not advertised as that so i can't be too disappointed.Â Soup Recipes From Filipino Cooking: How To Cook Filipino Food For Soup Lovers: Fun Recipes For Organic EatingÂ is an example of a filipino book i liked that has this option. Although not completely to the point, I like reading any book on filipino cooking that i can get my hands on, so still enjoyed it. Take a look.

This book is awesome and very informative.I am amazed with this book and i would definitely recommend this book to everyone and sure it will be useful for your life.
