I ordered this book, but received an Oboe book instead. Looking back on the order, i ordered the bassoon book.

We always appreciate the Standard of Excellence Books and this one was very helpful. My daughter was able to navigate the Bassoon with ease under the instruction in this book.

A basic method, with the usual treatment of rhythms, pitches, assembling the instrument, fingerings, and so forth. The fingering chart on the last page is not entirely accurate, however. The fingerings there will work, but may result in pitch instability on some instruments.
