Prophet, Arise: Your Call To Boldly Speak The Word Of The Lord

Synopsis

Something is stirring inside of you, but it has been silenced, gravely undermined, and misunderstood. You must believe that God has not forgotten you. He has not sidelined you. You are not crazy. Prophet, arise! Come out of your cave and be encouraged to speak forth the word of the Lord. God is calling you to be His Trumpet and to sound the alarm. The body of Christ desperately needs prophets to awaken and go forth. - Unique characteristics of a prophet
- The details of a prophet's call
- What moves a prophet's heart and stirs the anointing
- The rewards a prophet brings to those who receive them
- How to find healing and deliverance for the prophet who has been hurt
- And much more!

If you are walking in this calling, what you read here comes as no surprise. This is not new

information-but Knew information. What is refreshing for me is affirmation that I am not alone, that there are many who like me, have been awaiting the sound of the voice of the one who would come forth and say, "now it's time to go to work" and this book is that clarion call that many have waited for. Bless you sir for being the trumpeter and awakening those waiting to hear the sound.

This is the most profound book that I have read since The Harbinger!!! I have The Prophet's Dictionary which really explained the calling on my life in detail. But Prophet Arise takes you on a journey of a prophet's life...the highs and the lows. It is a very easy read. I recommend this book for all that are called into prophetic ministry; but especially for those of us that are new walking in it fully!!! And it is also good for Pastors that don't understand their prophetic sheep. And I can't leave out the congregations that the five-fold ministry is in full effect...this book will sharpen those in all areas and show how the prophet flows with the other gifts!!! I just can not say enough about how GREAT this book is written!!!

wonderful read

This book like all pastor Eckhardt has written, he gives all to the body of Christ, He is the king of Going all the way we God!!!!,he has great history for this,no games,tricks,will always love his work,and for the years ,amazing,his work is tested and proven!!!!!!!.

there isn't much support for those who are called to prophecy. if you believe you are called to this ministry this book will help you understand what is going on and where you fit into the overall ministry. it is encouraging and when I got it I felt like this was the exact thing I needed at the exact moment I received it. you will be encouraged by Johns help to realize that there is nothing to fear and you are already prepared for what you need to do. so go for it.

If you ever questioned your calling as a Prophet or a Prophetic person, this is the book to read. Excellent!

Great book for all prophets and prophetic types!

Excellent book John Eckhard books are all wonderful and such a blessing to the body of Christ
