Daily 6-Trait Writing, Grade 7

Synopsis

Each teacher resource book contains creative ideas and materials to enhance teaching. From classroom décor to thematic units to free-time activities, teacher resource books provide materials that you can use in your classroom. Daily 6-Trait Writing gives your seventh graders scaffolded, focused writing practice. Each of the 25 weekly units provides trait-based writing activities that cover the essential traits of strong writing: ideas, organization, word choice, sentence fluency, voice, and conventions. The weekly units present a writing skill on Day 1, and writing activities progress in difficulty until students apply what they've learned to a writing prompt on Day 5. Daily 6-Trait Writing is easy to use and offers you the flexibility to teach weekly units in consecutive order or to pick and choose lessons to meet student needs. 25 weeks of instruction cover the following trait-based writing skills: Ideas, Organization, Word Choice, Sentence Fluency, and Voice.

This book is so helpful. It is clearly presented and easy to use.

Great extra for the classroom!

My daughter loves these Trait Writing Books and I was excited to find one for her 7th Grade Homeschooling year. It gives such great writing prompts and ideas for various stories that she likes

to write. Highly recommend!

We tried several writing classes online and they all seemed to be about busy work. This workbook works well for us because I can give my students the work and ask them to complete the week. It's easy for them to follow, has varied topics, and is enjoyable to grade. It works well for my students.
