# The House Of Night Series: Books 1-12

## **Synopsis**

Dare to enter the HOUSE OF NIGHT, the phenomenal #1 New York Times bestselling series, with this complete e-collection of all twelve books! When 16-year-old Zoey Redbird is Marked by a vampyre tracker and begins to undergo the Change into an actual vampyre, she has to leave behind her family in Tulsa and move into the House of Night, a boarding school for other fledglings like her. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. She has been singled out by the vampyre Goddess, Nyx. Although Zoey has awesome new powers, it's not so easy to fit in when everyone knows you're "special" — and some people wish you weren't.... As Zoey tries to make new friends and maybe find a hot boyfriend (or three), she comes up against all kinds of evil, from the perfect-looking, super-popular girl with not-so-innocent plans, to the mysterious deaths happening at the House of Night and all over Tulsa, and the beautiful high priestess, Neferet, who seems to have Zoey's best interests at heart—or does she? Things at the House of Night are rarely what they seem. Can Zoey find the courage deep within herself to find the truth and embrace her destiny? Read the entire epic series from #1 New York Times and USA Today bestselling authors P. C. CAST and KRISTIN CAST.

## Customer Reviews

MUST READ !! I COULDN'T PUT THE BOOKS DOWN I JUST LOVE ALL THE CHARACTERS AND THE STORY LINE IN THESE BOOKS. ALL I CAN SAY IS CLEAR YOUR SCHEDULE AND GET READY TO ENJOY !!

This was a fun read and kept me interested book after book. I can definitely see this series as a popular movie trilogy.

I love love love love love LOVE these books. They are so creative and exciting, the drama that takes place intangles you and gets you so excited. But it's also heart breaking and will bring you to tears. I love this book. Also, did I say how much I love this book? I didn't? Well I love this book.

Still reading. I Love the books. They should make a movie. Put about 3 or 4 books together and there you had it

I love these books-I would say that the weaker points don't detract from enjoying the story and evolution of these characters. The books definitely gain more substance as they go along; it's like watching the skill evolution of the writers with each book. I admit that I'm sad to say goodbye to these characters.

One of my favorite book sets. I've cried, laughed, got angry and excited.

One well written and entertaining series.

I'm in love with this series and the author love love love her books...
