Customer Reviews

Provides essential, step-by-step guidance regarding the process of conducting depositions, plus analysis of the problems and issues that may arise. Discusses the philosophy and purpose of the deposition so readers can understand what information should be obtained from both their own and other parties' deponents. Offers excellent advice on how to develop questions; make objections; preserve the record as well as know when to go off the record; the use of videotapes; strategy of a deposition for all perspectives and much more. --This text refers to an out of print or unavailable edition of this title.
