This was the best book yet. The plot definely makes you want to find out what else happens to Raul, Eleria, and James. Also, how Raul,Phillip, and James all have a half brother and more. Can't wait to find out how it all ends in the last book.Love the series!!!

I couldn't put the book down. It's an interesting story. I'm looking forward to what might happen next. There are twists and turns in the book. I like how you get perspectives from different characters in the book.

I thought this was a good read. I would recommend it to anyone. I didn't tell what's inside. That is for you to find out and enjoy. I'm off to the third book in 72 hours. Hope to see you reading their.

I really like this series. Great characters, great storyline, great magic, mayhem and adventure. I highly recommend and look forward to the next one

So many twists and turns, keeps you guessing every step of the way. Just when you think you have a character's motives and loyalty figured out a new layer is revealed.

Good reading looking forward to the next book. Who will live and who will die, is the Haven at it's end, will it be rebuilt afterward the damage? Will love win out, who will end up the ruler?

I have really enjoyed reading this series so far. Waiting patiently for book number 3 to be released!! Finished both of the first books very quickly. Good story line with some surprises thrown in here and there. Will continue reading the series.

This story is a great and thrilling series so far. I cannot wait until The Vampire Gift book 3 comes out this summer!!!
